Description Upgrade selene-j2ee-model to version 0.0.4 Upgrade selene-wrapper to version 0.0.6 Since selene-core has been upgraded to version 0.0.6 to allow selene-j2ee-model depends directly from selene-model and selene-j2ee-core has moved its classes about lists to project selene-core because they don't depend on J2EE (refs #103), selene-j2ee-model must upgrade to version 0.0.4 So, it's necessary to add version 0.0.6 of project selene-j2ee-core
