| Tareas # 200: Use new pattern for logic data layer interface into logic layer interface                                                                                                                                                                                                                                                                                                                                                                                                                                             |              |                        | <b>Cerrada</b> |

### History

#### #1 - 07/04/2018 10:09 AM - Jesús Freire

- Status changed from Nueva to En curso

Estado del EPP auto actualizado a En curso porque al menos una tarea no estaba en estado Nueva

#### #2 - 07/10/2018 09:16 PM - Jesús Freire

- Description updated

#### #3 - 07/12/2018 12:54 PM - Jesús Freire

- Status changed from En curso to Resuelta

Applied in changeset selene-wrapper|r752.

#### #4 - 07/14/2018 03:04 PM - Jesús Freire

- Status changed from Resuelta to En curso

Create methods of the logic data pattern.  
Modify methods that receive unique keys to receive each field of the unique key

#### #5 - 07/30/2018 08:17 PM - Jesús Freire

- Status changed from En curso to Cerrada

Estado del EPP auto actualizado a Cerrada porque todas las tareas estaban cerradas
